The Fool

Franco

So you like playing with fire
Cause you know all the games
I'm like your baby for hire
Stop playing with my heart
You're tearing it apart, woah

Stop playing with my heart, woah
Stop playing with my heart
Playing with my heart

You got me fooled again
Fooled again
You got me
Fooled again
You got me
You got me
Woah

Last night I put up a fight
Said I didn't want to argue
Drowned out a bottle tonight
Smoked all my indo
Every liki, like l thing denied

You're so full of lies
So sad I found out tonight
I thought you alright
I thought you alright
I thought we alright
But no not tonight, cause

You got me
Fooled again
Fooled again
You got me
Fooled again
You got me
You got me
Fooled again
Fooled again
You got me
Fooled again
You got me
You got me

Go do what you do and I'll do mine
It's your life
Go do what you do and I'll do mine, so fine

You got me fooled again
You got me fooled again
You got me
You got me
You got me fooled again

You got me
Fooled again

Fooled again
You got me
Fooled again
You got me
You got me
Fooled again
Fooled again
You got me
Fooled again
You got me
You got me

You got me
You got me
You got me
You got me
You got me
You got me
You got me
You got me
