

It's Getting Late

Françoise Hardy

It's getting late
But you're too blind to see
What you're doing to me

Time has run out
Soon a new day will dawn
With that day you'll be gone

No you don't know
How I feel in my heart
I can't bear us to part

And you can't see
How I'm hurting inside
Or the tears that I hide

Just as the night
Will end with the dawn
You'll fade from my sight
Too soon you'll be gone

Soon you will seem
A lifetime away
You'll be like a dream
Which ends with the day
