

# Only You Can Do It

Françoise Hardy

You make me feel like  
I've never been kissed before  
Only you can do it  
You make me feel like  
I wanna be kissed for ever more  
Only you can do it

I don't know why I feel this way  
I only know I like the way  
You hold me in your arms  
Only you can do it

Only you can do it  
Only you can do it  
Only you can do  
What you're doing to me

I walk around town  
With my head held up so high  
Only you can do it  
My feet are on the ground  
But I feel like I'm touching the sky  
Only you can do it

I don't know why I feel this way  
I only know I like the way  
You hold me in your arms  
Only you can do it

Only you can do it  
Only you can do it  
Only you can do  
What you're doing to me

I don't know why I feel this way  
I only know I like the way  
You hold me in your arms  
Only you can do it

Only you can do it  
Only you can do it  
Only you can do  
What you're doing to me

Only you can do it  
Only you can do it  
Only you can do  
What you're doing to me
