

# Hate Me

Frank Black

Hate me  
My jacket's not right

Hate me  
And my thousand hairs  
And my shoes look bad tonight

Hate me  
My shirt is shitty

Hate me  
And you hate my slacks  
You don't even like me

I've got my money  
I've been here standing in line  
Am I so funny  
Standing here all the time

Hate me  
My jacket's not right

Hate me  
And my thousand hairs  
And my shoes look bad tonight

Hate me  
My shirt is shitty

Hate me  
And you hate my slacks  
Damn, you don't even like me

I've got my money  
I've been here standing in line  
What is so funny  
Just standing here in this line

Hate me  
My shirt is shitty

Hate me  
Yeah, I combed my hair  
It's still not pretty

Hate me  
Hate me  
Ooh, hate me  
Hate me  
What? You don't like my slacks? Oh, I see!
