

Nadine

Frank Black

There goes Nadine
Head to toe in black
There goes Nadine
Head to toe in black
When I see Nadine
I want that
Will she let me in
Underneath here clothes?
Will she let me in
Underneath her clothes?
That girl got skin
Like a ghost
Oh I think that witchy lady
Been cooking up some spells
'Cause when she walks on by
You know I love
The way she smells
She has a big gray car
She could take me for a ride
She has a big gray car
She could take me for a ride
Maybe we'll park
And I'll drive
There goes Nadine (5x)
