## You Ain't Me \*

**Frank Black** 

Standing in the light You're so self-congratulatory So I guess you have the right to be so mastubatory And like a man with his pet You always seem to forget that you ain't me You ain't me You ain't me No, you ain't me Did you include the question mark? When I answered you were totally shocked You looked at me like I was a snark while your head was extreme lv mentally blocked I'm the quy from wonderland And you could never understand that you ani't me You ain't me The money has been spent I'm not saying it hasn't been earned The customers have paid I'm just feeling kind of burned Tell me where have you been Oh, black-eyed mannequin
