

# Bang Bang

Frank Carter & The Rattlesnakes

Mirror, mirror, mirror, on the bathroom wall  
8pm, initiate downfall  
Worked all week, no turning back  
Dealers in the phone, emergency contact

Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!

Mirror, mirror, mirror, lying there on the floor  
It's 8 in the morning, and it's all gone wrong  
Following the rabbit, down a little rabbit hole  
While I was lying to myself, I got it under control  
4 bars, 5 bags, and a couple of caps  
Off the rails in the office, 'cause you can't relax  
Blood vibrating, limbs all slack  
Eyes dilated, you look clapped

Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!  
Bang! Bang!

Following the rabbit, through a tiny little crack  
Bang! Bang! Outta nowhere, it's a panic attack  
Little white rabbit is a big bear trap  
Bang! Bang! Midnight, full maniac

The boys on gak, singing girls on film  
At the top of their lungs, at the fox on the hill

"You're a legend mate!  
"Chat's great", that's what all your mates say  
Paralytic lam on every single pay day  
And they'll pay, for bottles of JD  
Shouting at the DJ, "He's a liability"  
Then Bang! Bang!  
Casualty, wheel him in to A&E  
Partial gastrectomy, absolutely quality, what a G
