

Love What's Your Face

Frank Duval

Love - what's your face?
Love - magic ways
We - only know you can be hell or heaven
Love - what's your face?
Why did you fade?
When I began to understand your secret being
He was my love, he turned away
It was the greatest time
Love touched my soul and lived in me

Love - what's your face?
Joy - hopes and pain
Tears - shining eyes
You are why we are living
Love - what's your face? Love
Love - what's your face?
Love - magic ways
Love
