

# I'm A Mess

Frank Iero

Try not to wake me up cause I don't feel too good  
I'm tired of miracles and being so understood  
Let's all be difficult and never try too hard

Let's all be critical of those who show their heart

If this just typical to congratulate yourself  
I'm kinda miserable but don't tell anyone,  
because I'm breaking down

Maybe I'm just lost they said  
Maybe I'm just tired or dead inside  
Somethings wrong with me  
Maybe that's just how I am...  
Maybe I'm a mess and I ain't gonna change

So tired of being old and feeling cold and numb  
So tired of being told I'm not so young and dumb  
I'm not as quick to say that I wish I could quit  
I gave up on giving up and lost myself a bit trying to be a ghost

Maybe I'm just lost they said  
Maybe I'm just tired or dead inside  
Somethings wrong with me

Maybe that's just how I am...  
Maybe I'm a mess and I ain't gonna change

I don't wanna be here  
I don't wanna be there  
I don't wanna be anywhere  
I don't wanna be here  
I don't wanna be there

Save your breath because I don't care  
Hold your breath beneath the air  
I write the bastard songs that make me feel alive  
I like the saddest songs pretending I'm alright...  
But maybe it's just me  
Or maybe I'm just fine with it  
Finally proud to live inside my own skin

Maybe that's just how I am...  
Maybe I'm a mess  
Maybe I'm just lost they said  
Maybe I'm just tired or dead inside  
Somethings wrong with me?  
Maybe that's just how I am...  
Maybe I'm a mess  
Baby that's just how I am,  
I'm just a mess...  
And I don't wanna change
