

The Unfortunate

Frank Iero

I'm sorry darling
I'm not the man I thought I was
Yea, I might regret it
But I got so good at giving up

I felt you fade away
Fade away
And I let you go
I know, I know, I know, I know

Lost in a moment
I prayed we'd find our way back home
God as my witness
I never meant to hurt you so

I watched you fade away
And all of our dreams
Went up in smoke
I know, I know, I know, I know

If you find some peace of mind
In my complete disgrace
Well then who am I to deny
Your heart anymore?

I'm sorry darling
You deserve a better song
It hurts to say it
But I know we both fell out of love

I watched us fade away
And all of our dreams
Went up in smoke
I know, I know, I know, I know

And if you feel the same
I'll find a way to let you go
I know, I know, I know, just know
It's hell without you here
