

## Done

Frank Ocean

Sitting next to your coffee table  
I'm trying to fix your cable box, again  
Said you couldn't get channel 4  
And that's the only one you wanted to watch

Last week I was walking your dog, baby  
Scrubbing your dishes  
Took your clothes to the cleaners  
I don't mind, cause

When I'm done  
When I'm done  
I'm gonna get every little bit of your love  
When I'm done (I'm gonna get it)  
When I'm done (You're gonna get it)  
You gonna feel every little bit of my love

Spend all day in my kitchen slaving  
Didn't even know that I could cook  
But you say you're tired and you're ready to go oh-oh  
Girl you didn't even touch your food

Last week I was washing your towels  
Scrubbing your dishes  
Took your clothes to the cleaners  
I don't mind, cause

Well, gimme some more baby  
Gimme some more  
It's never enough baby  
You gotta let me know  
You need something, tell me something, gather something to hold  
Baby I'll do it
