The markings on your surface
Your speckled face
Flawed crystals hang from your ears
I couldn't gauge your fears
I can't relate to my peers
I'd rather live outside
I'd rather chip my pride than lose my mind out here
Maybe I'm a fool
Maybe I should move
And settle, two kids and a swimming pool
I'm not brave (brave)
I'm not brave

I'm living over city
And taking in the homeless sometimes
Been living in an idea
An idea from another man's mind
Maybe I'm a fool
To settle for a place with some nice views
Maybe I should move
Settle down, two kids and a swimming pool
I'm not brave
I'd rather live outside
I'd rather live outside
I'd rather go to jail
I've tried hell
(It's a loop)
What would you recommend I do?
(And the other side of the loop is a loop)
This, this fe-, the feel
This feel, this feels
This feels ironic
This feels ironic
Ironic, this feels ironic
Ironic
This is not my life
It's just a fond farewell to a friend
It's just a fond farewell to a friend
This is not my life
It's just a fond farewell to a friend
It's not what I'm like
It's just a fond farewell (brave)

Speaking of Nirvana, it was there
Rare as the feathers on my dash from a phoenix
There with my crooked teeth and companion sleeping, yeah
Dreaming a thought that could dream about a thought
That could think of the dreamer that thought
That could think of dreaming and getting a glimmer of God
I be dreaming a dream in a thought
That could dream about a thought
That could think of dreaming a dream
Where I cannot, where I cannot
Less morose and more present
Dwell on my gifts for a second
A moment one solar flare we're consumed
So why not spend this flammable paper on the film that's my life?

High flights, inhale the vapor, exhale once and think twice
Eat some shrooms, maybe have a good cry about you
See some colors, light hang glide off the moon

(In the dark, in the dark)
I'd do anything for you
(In the dark)
I'd do anything for you, anything for you
(In the dark)
I'd do anything for you, anything for
