

# Truce

Frank Ocean

Taking turns with pressing ignore  
And we both  
Come to the conclusion that there's no one we both love more  
Back and forth, emotional tug of war  
Girl I love you  
But I just can't do this revolving door, any longer

I'm motion sick  
Oh, oh, from going in circles  
What happened, we were close  
Where do we go, no  
Better yet how do we make it right  
This ain't making sense no more

Yeah, so I put my left hand on your waist  
Right hand throwing the peace sign  
Waving truce, waving truce, waving truce yeah  
I put my lips up on your face  
White rag up in the sky  
I'm waving truce, waving truce, waving truce, truce  
I'm calling a truce, truce, calling a truce, truce  
Calling a truce, calling a truce

Maybe it's the "me" in you that I dislike the most  
Ironically in the beginning that's what made us close  
And now that's the very reason  
We're slamming doors  
But we're both adults, it's time we get over it

I'm motion sick  
Oh, oh, from going in circles  
What happened, we were close  
Where do we go, no  
Better yet how do we make it right  
This ain't making sense no more

Yeah, so I put my left hand on your waist  
Right hand throwing the peace sign  
Waving truce, waving truce, waving truce yeah  
I put my lips up on your face  
White rag up in the sky  
I'm waving truce, waving truce, waving truce (truce)  
I'm calling a truce (truce) calling a truce (truce)  
Calling a truce (truce), calling a truce (truce)

If we stop this fighting  
We can dance all night in this bitch  
Be no fighting if you keep on rocking that shit  
Won't be no fighting, I'm a throw the towel in  
Cause I decided, I like us way better like this

Yeah, so I put my left hand on your waist  
Right hand throwing the peace sign  
Waving truce, waving truce, waving truce yeah  
I put my lips up on your face  
White rag up in the sky  
I'm waving truce, waving truce, waving truce (truce)

I'm calling a truce (truce) calling a truce (truce)  
Calling a truce (truce), calling a truce (truce)
