

Ain'tcha Ever Coming Back

Frank Sinatra

Ain'tcha ever coming back, aintcha? Can't ya see the difference
it makes?
I'm half myself without your kisses,
One more night of doing without 'em will drive me crazy
Won'tcha make me smile again, won'tcha? Just a word is all that
it takes.
Your hello will let me know that we're the same as we used to b
e,
Oh, ain't cha ever coming back to me?
