

All Through The Day

Frank Sinatra

All through the day I dream about the night
I dream about the night here with you
All through the day I wish away the time
Until the time when I'm here with you

Down falls the sun, I run to meet you
The evening mist melts away
Down smiles the moon and soon your lips recall
The kiss I dreamed of all through the day

Down falls the sun, I run to meet you
The evening mist melts away
Down smiles the moon and soon your lips recall
The kiss I dreamed of all through the day
