

## Fairy Tale

Frank Sinatra

Fairy tale, my favorite fairy tale,  
Is the one I live with wonderful you,  
Life is so grand, a fabulous fairyland,  
And we walk it hand in hand as lovers do,  
Fantasy became a reality,  
With your tender kiss you open the door,  
You are marvelous, divine,  
Aladdin's lamp did shine,  
The magic days that you were mine,  
Fairy tale, our love is a fairy tale,  
And it never has been told before
