Fly Me to the Moon

Frank Sinatra

```
  Ami           Dmi7
Fly me to the moon
        G7                  C   C7
Let me swing among those stars
F             Dmi7
Let me see what spring is like
   E7           Ami A7
On Jupiter and Mars

Dmi7       G7   C      A7
In other words, hold my hand
Dmi7        G7              C     E
In other words, baby, kiss me

  Ami                Dmi7
Fill my heart with song
        G7           C    C7
Let me sing forever more
F             Dmi7
You are all I long for
   E7            Ami A7
All I worship and adore
```

In other words, please be true
In other words, I love you

Why don't you fill my heart with song?
Let me swing forever more
Because you are all I long for
All I worship and I adore

In other words, please be true
In other words
In other words, I, I love, you
