# Good-Bye

**Frank Sinatra**

I'll never forget you.
I'll never forget you.
I'll never forget how we promised one day,
To love one another forever that way.
We said we'd never say, "Good-bye."

But that was long ago.
Now you've forgotten, I know.
No use to wonder why.
Let's say farewell with a sigh.
Let love die.

But we'll go on living,
Our own way of living.
So you take the high road and I'll take the low.
It's time that we parted,
It's much better so.
But kiss me as you go.
Good-bye.

But that was long ago.
Now you've forgotten, I know.
No use to wonder why.
Let's say farewell with a sigh.
Let love die.

But we'll go on living,
Our own way of living.
So you take that high road and I'll take the low.
It's time that we parted,
It's much better so.
But kiss you as you go.
Good-bye. Good-bye. Good-bye.
