

# Good Thing Going

Frank Sinatra

It started out like a song, we started quiet and slow with no surprise,  
Then one morning I woke to realize we have a good thing going.  
It's not that nothing went wrong, some angry moment of course,  
but just a few,  
And only moments no more because we knew we had a good thing going.  
And if I wanted too much, was that such a mistake?  
Half the time you never wanted enough, oh wake up, I don't make  
that a crime,  
And while it's going along, you take for granted some love will  
wear away,  
We took for granted a lot, and still I say, it could have kept  
on growing,  
Instead of just kept on, we had a good thing going, going, gone  
.

And if I wanted too much, was that such a mistake?  
Half the time you never wanted enough, oh wake up, I don't make  
that a crime,  
And while it's going along, you take for granted some love will  
wear away,  
We took for granted a lot, and still I say, it could have kept  
on going,  
Instead of just kept on, we had a good thing going, going, gone  
.
