

# I'm Not Afraid

Frank Sinatra

One afternoon I came to hear  
You sing a soft song into my ear  
Who would have thought quite by chance  
We might engage in a loving dance?

Coming together, coming apart  
Lost in diversions, dancing stars  
Caught in the quiet, off on our own  
Coming together, standing alone

Are you afraid?  
I'm not afraid

What about you, what about me?  
Two years from now where will we be?  
Each of us gone our separate ways  
Lost in a headlong passage of days

Maybe we might give love a try  
Extending the moment before "goodbye"  
And for a gentle moment in time  
We'll take what pleasure people can find

Are you afraid?  
I'm not afraid

What is for real, what is false?  
All of us seem to be caught in a waltz  
Turning around, turning again  
When will the dancing ever end?

As for us, you and me  
Our eyes are open, we can see  
Both of us know where we've been  
Why must we both go dancing again?

Come join the dancing, come join the waltz  
Don't look too closely at my faults  
Why can't I die here in your arms?  
Safe from the night and safe from the dawn

Back to the nothing that had no name  
Back to the nowhere from where I came  
Don't worry of me, I know what I am  
Where I'm goin' and where I've been

I'm not afraid!  
I'm not afraid!  
No, I'm not afraid!
