If I Should Lose You

Frank Sinatra

If I should lose you The stars would fall from the sky If I should lose you Leaves would wither and die

The birds in May-time - they'd sing a mournful refrain And I would wander around - hating the sound of rain

With you beside me The rose would bloom in the snow With you beside me No winds of winter would blow

I gave you my love - and I was living a dream But living would seem - in vain if I (Hating the rain - if I) (All is in vain if I) If I ever lost you
