

## Moonlight Mood

Frank Sinatra

Moonlight mood when twilight is ending  
You're in my moonlight mood and our hearts are blending  
There on the same old wall that we used to know long ago  
You walked there in a ribbon of moonlight  
There you are as lovely as ever  
You vowed by every star to love me forever  
Although you're far away we meet in my solitude  
You are mine when I'm in my moonlight mood...  
Then in the moonlight you are mine  
When I'm in my moonlight mood...
