

O Bambino (One Cold and Blessed Winter)

Frank Sinatra

One cold and blessed winter
In days beyond recall
A child was born to save us
Born to save us all
One cold and blessed winter
Born to save us all

O bambino, mio divino
Io ti vedo qui a tremar,
O bambino, mio divino
Io ti vedo qui a tremar,

In days beyond recall
A child was born to save us
Born to save us all

One cold and blessed winter
In ancient Bethlehem
A child was born to love us
Sing alleluia, amen
One cold and blessed winter
Sing alleluia, amen

O bambino, mio divino
Io ti vedo qui a tremar,
O bambino, mio divino
Io ti vedo qui a tremar,

In ancient Bethlehem
A child was born to love us
Sing alleluia, amen
One cold and blessed winter
Sing alleluia, amen
