

# Pick Yourself Up

Frank Sinatra

Now nothing's impossible, I've found for when my chin is on the ground,  
I pick myself up, dust myself off, and start all over again.  
Don't lose your confidence if you slip, be grateful for a pleasant trip,  
And pick yourself up, dust off, start over again.  
Work like a soul inspired until the battle of the day is won.  
You may be sick and tired, but you be a man, my son.  
Will you remember the famous men who have to fall to rise again,  
,  
So take a deep breath, pick yourself up, start all over again.  
(musical interlude)  
You gotta work like a soul inspired until the battle of the day is won.  
You may be sick and tired, but you be a man, my son.  
Will you remember the famous men who have to fall and then to rise again,  
So take a deep breath, pick yourself up, dust yourself off, and start all over again.  
(musical interlude)  
Once again now:  
Will you remember the famous men who have to fall and then rise again,  
So take a deep breath, pick yourself up, dust yourself off, and start all over again.  
(coda)  
That's enough now.
