

## Stargazer

Frank Sinatra

Stargazer! You with your head in the heavens,  
You'll never get by, walking that high off the ground.  
Hey, moon dreamer, I've been around and I see it,  
That higher you get, the harder they let you down.  
You pay your dues, it seems forever,  
And if you're clever, you may be in for a while, then you're out of style.  
Hey, stargazer, probably think I'm crazy, and you haven't heard  
one single word I said.  
No I don't want to burst your bubble, but you got trouble,  
Don't you know the higher the top, the longer the drop,  
Hey, stargazer (jump on it, Sam, get all over that thing!).  
No I don't want to burst your bubble, but you got trouble,  
Don't you know the higher the top, the longer the drop,  
Hey, stargazer! Stargazer, stargazer, stargazer! You moon dreamer,  
you moon dreamer!
