

## What Now My Love

Frank Sinatra

What now my love?  
now that you left me  
How can I live,  
live through another day?  
Watching my dreams  
turned to ashes  
And my hopes  
turning to bits of clay

Once I could see,  
once I could feel  
Now I am numb,  
I've become unreal  
I walk the night, without a goal  
Stripped off my heart, my soul

What now my love?  
now that it's over  
I feel the world  
it's closing in on me  
Here come the stars,  
tumbling around me  
There's the sky,  
where that sea should be

What now my love?  
now that you're gone  
I'd be a fool to go on and on  
No one would care,  
no one would cry  
If I should live  
if I should live or die

What now my love?  
now there is nothing  
Only my last, my last good-bye  
Bye-bye  
What now my love, now there is nothing  
Only my last, my last good-bye
