

## Where or When

Frank Sinatra

When youre awake, the things you think  
Come from the dream you dream  
Thought has wings, and lots of things  
Are seldom what they seem

Sometimes you think youve lived before  
All that you live to day  
Things you do come back to you  
As though they knew the way

Oh the tricks your mind can play

It seems we stood and talked like this, before  
We looked at each other in the same way then  
But I cant remember where or when

The clothes youre wearing are the close, you wore  
The smile you are smiling you were smiling then  
But I cant remember where or when

Some things that happened for the first time  
Seem to be happening again

And so it seems that we have met before  
And that we laughed before, also loved before  
But who knows where or when
