

# Live and Let Die

Frank Turner

When you were young and your heart was an open book  
You used to say live and let live  
(you know you did, you know you did you know you did)  
But if this ever changing world in which we're living  
Makes you give in and cry

Say live and let die  
Live and let die  
Live and let die  
Live and let die...

What does it matter to you  
When you got a job to do  
You gotta do it well  
You gotta give the other fellow hell

You used to say live and let live  
(you know you did, you know you did you know you did)  
But if this ever changing world in which we're living  
Makes you give in and cry

Say live and let die  
Live and let die  
Live and let die  
Live and let die...
