

# Dancing In The Dark

Frank Walker

You know where to find me  
You know where I'll be  
Like everyone in town  
Standin' in the open  
Wavin' like an ocean  
Don't you see me now?  
Over the horizon  
Yeah, the sun is risin'  
The tide is goin' out  
I've tried to replace you  
I can't seem to shake you  
Gettin' tired now

Dancin' in the dark  
Could've sworn that I felt you  
A shootin' star  
You were gone when I held you  
But I'll be here  
But I'll be here  
Dancin' in the dark  
Could've sworn that I felt you  
I wore my heart on my sleeve  
Like you said to  
But I'm still here  
And I'll be here

In someone else's arms  
In someone else's arms  
And I'll be here  
But I'll be here  
In someone else's arms, oh yeah  
And I'll be here  
But I'll be here  
In someone else's arms, oh yeah  
And I'll be here  
But I'll be here  
In someone else's arms

You know where to find me  
You know where I'll be  
Like everyone in town  
Standin' in the open  
Wavin' like an ocean  
Don't you see me now?  
Over the horizon  
Yeah, the sun is risin'  
The tide is goin' out  
I've tried to replace you  
I can't seem to shake you  
I'm gettin' tired now

Dancin' in the dark  
Could've sworn that I felt you  
A shootin' star  
You were gone when I held you  
But I'll be here  
But I'll be here

Dancin' in the dark  
Could've sworn that I felt you  
I wore my heart on my sleeve  
Like you said to  
But I'm still here  
And I'll be here

In someone else's arms, oh yeah  
In someone else's arms, oh yeah  
In someone else's arms, oh yeah  
But I'll be here  
And I'll be here

In someone else's arms, oh yeah  
But I'll be here  
And I'll be here  
In someone else's arms, oh yeah  
But I'll be here  
And I'll be here  
In someone else's arms, oh yeah  
[?] oh yeah  
In someone else's arms, oh yeah  
[?] oh yeah  
But I'll be here  
In someone else's arms
