

# Good In Goodbye

Frank Walker

Sick of waiting by the phone  
This is a moment that I own  
What do I  
What do I  
What do I do now  
What do I  
What do I do

The only way to moving on  
Is realizing that you're gone  
What do I  
What do I  
What do I do now  
What do I  
What do I do

If you we're here  
This is what I'd say

I wish you well on your road  
'Cause ours has no where left to go  
And we may never meet again  
In fact I hope we never will

You put the good good good in goodbye  
You put the good good good in goodbye  
You put the...

Don't come knocking at my door  
Not dreaming 'bout you anymore  
Honey I honey I have to let go  
Honey I honey I know

Can send a letter but I won't  
Thought I cared but I don't  
Honey I honey I have to let go  
Honey I honey I know

I wish you well on your road  
'Cause ours has no where left to go  
And we may never meet again  
In fact I hope we never will

You put the good good good in goodbye  
You put the good good good in goodbye  
You put the  
Good good good in good  
Good good good in good  
Good good good in goodbye  
You put the  
Good good good in good  
Good good good in good  
Good good good in goodbye  
You put the...

You put the good good good in goodbye  
You put the good good good in goodbye
