

I Go Dancing

Frank Walker

I go dancing
Same ol' bar we used to go
I tell all my friends
I pray to God that he don't show
Second chances
They all ended long ago
Gonna wear this makeup
In case we make up

And I tell myself I'll try
To get you off my mind

So I go dancing
I close my eyes so I don't see
But I imagine
That you're out here right next to me
3am here again
And I'm still staring at my phone
If we're not dancing I'd rather dance on my own (on my own)

If we're not dancing I'd rather dance on my own

If we're not dancing I'd rather dance on my own

I go dancing
I guess what I wanna do
And it's no secret
I'm just waiting 'round for you
And if we're past tense
Then I've got nothing left to lose
So I wear this black dress
You know the one you liked best

Then I tell myself I'll try
To get you off my mind

So I go dancing
I close my eyes so I don't see
But I imagine
That you're out here right next to me
3am here again
And I'm still staring at my phone
If we're not dancing I'd rather dance on my own (on my own)

If we're not dancing I'd rather dance on my own
If we're not dancing I'd rather dance on my own
3am here again
And I'm still staring at my phone
If we're not dancing I'd rather dance on my own
I'd rather dance on my own

If we're not dancing I'd rather dance on my own
I'd rather dance on my own
