Shadows

Frank Walker

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, dance with our shadows

Face your fears, wipe your tears, let it all go
Tender soul, let 'em know what you're made of

Give me all of your bad sides, let's have a good time
I want it all, ah-ah-ah-ah
Take me far from the sun rays, back to the hard days
To where you are

So hear all the echoes in the night
See the stars up in the sky
They shine on you and I
And make shadows

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, dance with our shadows
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, and make shadows
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, dance with our shadows
Oh-oh-oh, oh-oh-oh, oh-oh-oh (they shine on you and I)
Oh-oh-oh, and make shadows

Take it slow, stop and go till you're ready
I'll be there, don't be scared, put it on me, oh

Give me all of your bad sides, let's have a good time
I want it all, ah-ah-ah-ah
Take me far from the sun rays, back to the hard days
To where you are

So hear all the echoes in the night
See the stars up in the sky
They shine on you and I
And make shadows

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, dance with our shadows
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, and make shadows
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, dance with our shadows
Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, and make shadows

So hear all the echoes in the night
See the stars up in the sky
They shine on you and I
And make shadows

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, dance with our shadows
