

Waiting

Frank Walker

(If it's not tonight
I will be waiting
Yeah, I will keep waiting for you)

Does it scare you in the dark
Is it tearing you apart
Don't you change your mind
Don't have a change of heart

Cause I'll go either way
Half of you is all of me
And if you ever doubt
Got every reason

You're the air I breathe
I need you now
I need you now
Fallin way too deep
Can't turn around
No way out from here

I know you've heard a thousand lies
Hold back the river that's behind your eyes
Just know that
If it's not tonight
I will be waiting
Yeah, I will keep waiting for you
Under stars or city lights
I follow you for the rest of my life
Just know that
If it's not tonight
I will be waiting
Yeah, I will keep waiting for you

Tonight
Tonight
Tonight
Yeah, I will keep waiting for you
Tonight
Tonight
Tonight
Yeah, I will keep waiting for you

And I know it's getting hard
But don't cover up those scars
There's no reason to hide
They make you who you are

Yeah, I need you to stay
Cause half of you is all of me
And if you ever doubt
Got every reason

You're the air I breathe
I need you now
I need you now
Fallin way too deep

Can't turn around
No way out from here

I know you've heard a thousand lies
Hold back the river that's behind your eyes
Just know that
If it's not tonight
I will be waiting
Yeah, I will keep waiting for you
Under stars or city lights
I follow you for the rest of my life
Just know that
If it's not tonight
I will be waiting
Yeah, I will keep waiting for you

Tonight
Tonight
Tonight
Yeah, I will keep waiting for you
Tonight
Tonight
I will be waiting
Yeah, I will keep waiting for you

Tonight
Tonight
Tonight
I will keep waiting for you
Tonight
Tonight
Tonight
I will keep waiting for you

I know you've heard a thousand lies
Hold back the river that's behind your eyes
Just know that
If it's not tonight
I will be waiting
Yeah, I will keep waiting for you
