Chucha

Why won't you accept my proposal?
Don't you know
I'm at your disposal
Ooh my Chucha

Chucha

Why won't you accept my proposal?
Don't you know
I'm at your disposal
Chu-cha

Accept my proposal
Accept my proposal
'Cause I'm at your disposal
'Cause I'm at your disposal
Accept my proposal
Accept my proposal
Chucha my darling
For me

Your love is fine

All of the time
I feel your heartbeat
Real close to mine
My darling dear

Please never leave me
Please never go
Please don't deceive me
Girl don't you know
My darling dear

Your love is mine
All of the time
I feel your heartbeat
Real close to mine
My darling dear

Please never leave me
Please never go
Please don't . . .
