Hey mom! I just killed a chicken

Frankenstein Drag Queens from Planet 13

Hey mom I just killed a chicken
I left him bloody and dripping
I just called to say mom

Hey mom I just killed a chicken
Hey mom I just killed a chicken
I left him bloody and dripping
I just called to say mom
Hey mom I just killed a chicken

Yeah!

I just killed a chicken
I just killed a chicken
I just killed a chicken
I just killed a chicken
I didn't have no motive

Didn't have no reason
I just got a fetish to see a
Headless chicken... kicking
I didn't have no motive
Didn't have no reason
I just got a fetish to see a
Headless chicken... kicking

I just killed a chicken
I just killed a chicken
I just killed a chicken
I just killed a chicken
I just killed a chicken
I just killed a chicken
I just killed a chicken
I just killed a chicken
