The Wolfman Stole my Baby

Frankenstein Drag Queens from Planet 13

He was a-

howlin at the moon when he walked up to her yeah.. oh yeah. And he whispered to her, i couldnt hear what he said And then he whispered to her, i couldnt hear what he said And then he whispered to her, i couldnt hear what he said

And the Wolfman came and stole my baby Yeah the Wolfman came and stole her away Well, he took her, and that's what she gets And nothing can save her now except for silver bullets

He was a-lookin at her like she was the coolest thing he'd seen .. he'd seen

Yeah well, don't you know baby don't you know that the Wolfman o nly wants one thing... he wants one thing.. only wants...

And the Wolfman came and stole my baby Yeah the Wolfman came and stole her away Well, he took her, and that's what she gets And nothing can save her now except for silver bullets

And the Wolfman came and stole my baby Yeah the Wolfman came and stole her away Well, he took her, and that's what she gets And nothing can save her now except for silver bullets
