

## A Merry Christmas

Frankie Avalon

From our hands to your hands,  
A merry Christmas,  
A merry Christmas and a happy New-Year  
From our hearts to your hearts,  
Our warmest wishes,  
Our warmest wishes for a season of Cheer

May your every window  
From within glow with love,  
Joy and happiness too  
And from now til forever  
And ending never,  
A merry, merry Christmas to you.
