

Capuccina

Frankie Avalon

Signorina, signorina
Vi dispiace se vi chiedo di ballar
Non ce' bimba piu' carina
Che mi possa questa sera far sognar

Maybe someday, Cappuccina
Someone's gonna make you fall
Beneath his spell
Then you'll beg him to stay
But like you, he's gonna say
Cappucina, say's ciao

Signorina, Cappuccina
Is the queen of very coffee house in Rome
Cappuccina wild bambina
Every day, she breaks a heart
Or breaks a home

A maybe someday, Cappuccina
Someone's gonna make you fall
Beneath his spell
Then you'll beg him to stay
But like you, he's gonna say
Cappucina, fare thee well!

Signorina, signorina
Vi dispiace se vi chiedo di ballar
Non ce' bimba, a piu' carina
Che mi possa questa sera far sognar

Maybe someday, Cappuccina
Someone's gonna make you fall
Beneath his spell

O mia bella signorina
Baciami ancor
Dammi dammi un bacio
Un lungo bacio
E ciao ciao ciao amore.
