

# I'll Wait For You

Frankie Avalon

Oh, I know we both are young  
And must wait 'til school is through  
Oo-oo-oo, oo-oo-oo  
I'll wait for you

Oh, I tell my impatient heart  
There is nothing I can do  
Oo-oo-oo, oo-oo-oo  
I'll wait for you

There's one day I dream of  
The day I can bring  
My token of true love  
Your engagement ring  
I love you

So until the day I'll hear  
You will say, Yes, I do  
Oo-oo-oo, oo-oo-oo  
I'll wait for you

There's one day I dream of  
The day I can bring  
My token of true love  
Your engagement ring  
I love you

So until the day I'll hear  
You will say, Yes, I do  
Oo-oo-oo, oo-oo-oo  
I'll wait for you
