

# It Started All Over Again

Frankie Avalon

It started all over again  
The moment I looked in your eyes  
It started all over again  
The thrill we cut never disguise

The day that we parted, so broken hearted  
Will never return again  
Dreams I've delayed, promises made  
Are starting anew, just for you

It started all over again  
The moment I held you so tight  
It started all over again  
When we kissed away the night  
Till dawn's early light

Now were together, sweethearts forever  
Build our romance anew  
It started all over again  
The moment I looked at you

The day that we parted, so broken hearted  
Will never return again  
Dreams I've delayed, promises made  
Are starting anew, just for you

Now were together, mothers forever  
Build our romance anew  
It started all over again  
The moment I looked at you.
