

Our Love Is Here to Stay

Frankie Avalon

It's very clear
Our love is here to stay
Not for a year
But growin day by day

The radio and the telephone
And the movies that we know
Maybe passing fancies
And in time may go

It's crystal clear
Our love is here to stay
Together we're
Going a long, long way

In time the Rockies may tumble
Gibraltar may crumble
They're only made of clay
But, our love is here
Here to stay

The radio and the telephone
And the movies that we know
May just be passing fancies
And in time may go

Aaaa, dope, ho
Our love is here to stay
Together we're
Going a long, long, long way

In time the Rockies may tumble
Gibraltar may crumble
They're only made of clay
But, our love is here to

Our love is here to

Our love is here to stay.
