Frankie Avalon

'Cause you've got personality  
Walk (personality)  
You've got talk (personality)  
Smile (personality)  
You've got charm (personality)  
Love (personality)  
Plus you've got a great big heart

So over (over and over)  
And over (over and over)  
Oh, I'll be (over and over)  
For you (over and over)  
Oh, oh, oh over and over  
What more can I do?

Oh, oh, oh over and over  
I said I love you  
Over and over  
Honey now it's the truth

Over and over  
My friend says I'm a fool  
But oh, oh, oh over and over  
I'll be a fool for you

'Cause you've got personality  
Walk (personality)  
You've got talk (personality)  
Smile (personality)  
You've got charm (personality)  
Love (personality)  
Plus you've got a great big heart

So over (over and over)  
And over (over and over)  
Oh, I'll be (over and over)  
For you (over and over)  
Oh, oh, oh over and over  
What more can I do?

'Cause you've got (personality)  
Walk (personality)  
You've got talk (personality)  
Smile (personality)  
You've got charm (personality)  
Love (personality)  
Plus you've got a great big heart

So over (over and over)  
And over (over and over)  
Oh, I'll be (over and over)  
For you (over and over)  
Oh, oh, oh over and over  
What more can I do?

Oh, oh, oh over and over  
I said I love you

Over and over  
Honey now it's the truth

Over and over  
My friend says I'm a fool  
But oh, oh, oh over and over  
I'll be a fool for you

'Cause you've got personality

'Cause you've got (personality)
