Where Are You

Frankie Avalon

Where are you Where have you gone without me I thought you cared about me Where are you Where's my heart Where is the dream we started I can't believe we're parted Where are you When we said good-bye love What had we to gain When I gave you my love Was it all in vain All life through Must I go on pretending Where is my happy ending Where are you When we said good-bye love What had we to gain When I gave you my love Was it all in vain All life through Must I go on pretending Where is that happy ending Where are you Where are you
