

Wasting Time

Frankie Ballard

I, I'm wondering if you're by yourself
I'm wondering if you need any help
Holding down a couple of barstools
Yeah, and I, I hope you don't mind if
I, I put another drink there beside
The one that you're
Staring a hole through

Now if you wanna be alone
Well girl, you can just say so

But if you got a pissed off
I'll help you cuss it
Just want some small talk
Girl, let's discuss it
If you're feeling lonely
You're not the only one
Walking that line, girl

If you wanna get lost
Girl, I'm driving
Or just get your buzz on
Baby, I'm buying
If you're just wastin time, girl
If you don't mind, girl
Waste some of mine, girl

Well I, can tell by
That smile you smile
That this might take
A little while
To figure out just what
A girl like you
Is doing in a
Place like this
But I'm down with
Whatever it is

But if you got a pissed off
I'll help you cuss it
Just want some small talk
Girl, let's discuss it
If you're feeling lonely
You're not the only one
Walking that line, girl

If you wanna get lost
Girl, I'm driving
Or just get your buzz on
Baby, I'm buying
If you're just wastin time, girl
If you don't mind, girl
Waste some of mine, girl

Yeah, if you got a heartache
Join the club girl
But another Bicardi

Ain't enough girl
Sometimes you gotta take a chance
Just say yes to a dance

But if you got a pissed off
I'll help you cuss it
Just want some small talk
Girl, let's discuss it
If you're feeling lonely
You're not the only one
Walking that line, girl

If you wanna get lost
Girl, I'm driving
Or just want your buzz on
Baby, I'm buying
If you're just wasting time, girl
If you don't mind, girl
Waste some of mine, girl

If you're just wasting time
If you don't mind
Waste some of mine, girl

Oh, waste some of mine, girl
