Being Alive

Frankie Cosmos

being alive i see you in everything my vocabulary's limited but i wanna tell it all to you if i could would you want me to? bein alive if i become a piece of dirt for a dollar can i enter your brain? being alive matters quite a bit even when you feel like shit being alive im collapsing inwardly your name strikes a match in me after a drum solo i looked up craig called out to me after said "maybe see you later?" being alive matters quite a bit even when you feel like shit BEING ALIVE!!
