

Bus Bus Train Train

Frankie Cosmos

bus bus
train train
makes me think im
going far away

and i wont
come home
til im
all grown

a moment is pressing
i feel undressing
i see a purple river
wind sends a shiver

double
rainbow
i see
joejoe

in taxidermy museum

lovin' you
gave me something to do

we sleep like nature
our love a purple river
runs through me ancient
i find you in nature

I PLAY THE FIRST NOTE!
