

cow meeting/holy moment

Frankie Cosmos

You fill me with weariness
When you are mysterious

Even though I joke a lot
I still feel the power of God
Justin bieber made a lot of people christian
People need something to believe in

I go to the cow meeting
The pretzels are steaming
I must have been dreaming
I, jonathan
I must have been dreaming

Cause when yr heartbroken
It feels like its just you and him
But now I'm on the other side
And I'm so sorry

My honeys got pointed toes
And a funny heartshaped nose
The first half of the book is prose
But we just read the poems
And look at the pinecones

Math controls everything
Pinecones and cup rings
Maybe sex too, a kiss
Fibonacci sequence

But I can't remember what it is

Holy moment
