

I'm It

Frankie Cosmos

I'm following it
Even though it
Is not what I expected

I don't know if
It's me or I'm it
But I cannot regret it

When it's all over I don't
When it's all over I don't know what
When it's all over I don't know what happened to me

The air hangs in the air
I don't care if you don't care
I care that I care

When it's all over I don't
When it's all over I don't know what
When it's all over I don't know what happened to me
