

## Moonsea

Frankie Cosmos

The world is crumbling and I don't have much to say  
We say goodbye, "Goodbye"

Go slow like the train  
I hope you know you're not nothing

We've got everything to gain  
And I know it's not the same  
I'm not in the world that way  
At least that's what I'm trying

It's just pancakes on a stove  
It's rock and roll and roll  
Cause I'm the moon and you are the sea  
You always seem sad underneath me

All fires go out later  
Some burn a bit greater  
But it's all just fire on my ass  
Telling me love myself better
