

Diggin Your Style

Yo...I'm diggin your style...yeah

She was so fly
She was alright
She looked like she came from that paradise
She was so thrown
She was so cold
Cuz she already knew she had it goin on
Them pretty Ass toes
The way she rolls
Everything about her looked so dope
Her independent ways, bills all paid
What else could you ask for now a days

Cuz you know I've been peepin you awhile

So wont you turn and come aorund my way
